REMARKS

Applicant would like to thank the Examiner for the careful consideration given the present application. The application has been carefully reviewed in light of the Office action, and amended as necessary to more clearly and particularly describe the subject matter which applicant regards as the invention.

Applicant notes with thanks that the Examiner has indicated that claims 1-17 are allowable. Claims 1 and 5 have been amended to substitute the phrase "such as" with the phrase "including", as suggested by the Examiner. Applicant submits that the allowable status of these claims is unchanged by the present amendment and, therefore claims 1-17 will not be discussed further hereinafter.

The Examiner objected to Fig. 10 because of the presence of foreign language characters. Enclosed herewith is a replacement sheet of drawings containing Figs. 10 and 11. The foreign language characters have been removed from Fig. 10 and replaced with English language characters. No changes have been made to Fig. 11. The Examiner's approval of the corrected drawings is requested.

In light of the foregoing, it is respectfully submitted that the present application is in a condition for allowance and notice to that effect is hereby requested. If it is determined that the application is not in a condition for allowance, the Examiner is invited to initiate a telephone interview with the undersigned attorney to expedite prosecution of the present application.

If there are any additional fees resulting from this communication, please charge same to our Deposit Account No. 18-0160, our Order No. NIS-16413.

Respectfully submitted,
